GOLD STAR MOTHER'S AND FAMILY'S DAY

"In our city centers, and our bustling parks, monuments stand dedicated to visionary leaders and singular moments in the life of our Republic. But in empty seats at family dinners and folded flags above the mantle, we find the constant thread of our Nation's character — the truth that America endures because it is home to an unbroken line of patriots willing to lay down their lives for the land they love. As we honor the men and women who gave their last full measure of devotion, we hold close the families left behind."
