VETERANS' DAY

In 1954, the 83rd U.S. Congress amended the 1938 act that had made Armistice Day a holiday, striking the word "Armistice" in favor of "Veterans." President Dwight D. Eisenhower signed the act into legislation on June 1, 1954. From then on, November 11 became a day to honor American veterans of all wars. Thank a veteran today for his service. Pray for those currently serving.

President Ronald Reagan once said, "Some people live an entire lifetime and wonder if they have ever made a difference in the world. A veteran does not have that problem."
